**Optimists in Your Community**

*The Komoka – Kilworth Optimist Club has been “Bringing out the best in kids” since 1972. Many youth organizations, schools, sports teams, camps, educational programs and individuals have been supported by your Optimists over the years and we are proud of those accomplishments and the changes we have made in the community. We operate by raising funds through BBQ’s, bartending, dances, our Easter Dash and bingos. We are then pleased to give back to the kids in the way of financial support and our service projects like Breakfast with Santa, Canada Day, and Halloween. We also have the support of many community businesses’, check our “Community Partners” page on our website. There is also a social aspect of being an Optimist with our dinner meetings and occasional outings, most importantly, we all share in the belief of supporting the youth of our community. If this is important to you, please consider becoming an Optimist member and carrying on this great tradition in Komoka and Kilworth. All levels of participation are appreciated!*
