## Welcome to the Optimist Club of Komoka-Kilworth

Becoming a member of the Optimist Club of Komoka-Kilworth means choosing to volunteer your time and talents to support the youth of our community.

### 1. Introduction

For more than 50 years, our Club has proudly served the youth of the Komoka-Kilworth community. As a new member, we invite you to learn about our history, structure, and purpose, and to understand how we raise funds and support local groups and initiatives. Our members work collaboratively as a team, continually evaluating our goals and performance to ensure we meet the evolving needs of both our community and our membership. Your active participation and input are essential as we continue to build on our long-standing success in Komoka-Kilworth.

Membership is fulfilled through active involvement in Club projects and activities. This includes attending meetings and social events, serving on committees or boards, and inviting others to join us in pursuing our mission. What truly sets Optimist Clubs apart from other volunteer organizations is our shared commitment to creating a more optimistic future for our youth.

As a member, you will have opportunities to develop and demonstrate leadership skills at the local, regional, national, and even international levels—while experiencing the personal satisfaction that comes from making a positive difference in your community. Whether you are seeking a meaningful way to give back, opportunities for personal growth, or the camaraderie of like-minded individuals, you will find it all within the Komoka-Kilworth Optimist Club.

### 2. Our Mission

By providing hope and positive vision, our Optimist Club strives to “Bring Out the Best in Our Youth, Our Communities and Ourselves”. We are committed to building a better future for the youth of our community through guidance, support and example.

### 3. History of Our Club

After considerable effort by several dedicated community members and an “all-out” recruitment campaign, the first regular meeting of the Optimist Club of Komoka was held on Monday, June 28, 1972, in Komoka. The meeting was attended by 26 charter members and 6 guests, with the London Southeast Optimist Club serving as our sponsoring club.

# OPTIMIST CLUB OF KOMOKA KILWORTH

In 1986–87, to better reflect the area served by the Club, we formally adopted the name **The Optimist Club of Komoka-Kilworth**. As part of this change, all members were issued new name badges featuring the updated name and logo.

During 1990–91, revisions were made to the Club's constitution and by-laws to create a more inclusive membership structure. This important step allowed the Club to induct its first female member.

In 2022–23, the Club had 46 active members and proudly celebrated its 50th year of service to the community. Most recently, in 2023–24, the Club updated its logo colours and design to align with those of Optimist International.

# OPTIMIST CLUB OF KOMOKA KILWORTH

## Dinner Meetings

Our Club holds dinner meetings on the third Tuesday of each month (except for June, July, and August). These meetings are usually held at the Komoka Community Centre, though they may occasionally take place at other locations. The committee chair will advise members of the meeting location and details by email. For organizational purposes, it is important that you RSVP by email or text.

Dinner meetings begin at 6:30 PM with a social time, and the meal is served at 7:00 PM. Meetings may include special speakers, guests, awards presentations, club announcements, new member and executive inductions, committee reports, and other club activities.

These meetings are a great opportunity to get to know fellow Optimist members and are an ideal occasion to invite a prospective new member. Any new or prospective member will receive their first meal free of charge.

In addition, the Club hosts a Christmas Family Social in early December. This event features a potluck meal, with the organizers providing the turkey and ham. Members and their families are encouraged to attend and enjoy this fun and festive evening together.

## 11. Membership Dues

Optimist International charges our Club membership fees that are due at the beginning of each fiscal year (October 1). These membership fees are entirely remitted to Optimist International to cover essential services, including comprehensive liability insurance coverage for all members and club activities. Our Club does not retain any portion of these specific fees; the value is delivered through the benefits provided by the international organization.

For the 2025-26 fiscal year, the fees are \$126.10 for each regular member and \$63.05 for each lifetime member.

However, our Club's **Board of Directors** has decided to implement a different system for the collection and payment of membership fees.

## Why?

Our Club delivers nearly 75 events each year and depends on member involvement to succeed. To broaden participation, reduce burnout, and address concerns about membership fees, we are introducing a revised membership model that better aligns fees with opportunities for involvement and supports a sustainable, inclusive future for the Club.

# OPTIMIST CLUB OF KOMOKA KILWORTH

## How It Works

Our Club membership fees follow a volunteer-based model. The Club will initially cover the annual membership fee for members who commit to volunteering at a minimum of five of our nearly 75 activities throughout the year. This upfront payment is conditional. Members who do not fulfill the five-event volunteer commitment will be invoiced for the full membership fee at the end of the fiscal year in September.

Club members who serve as Committee Chair of an eligible Fundraising or Community Event will be awarded five (5) volunteer credits.

New members who join mid-year will have their required credits and fees prorated based on their join date.

## Volunteer Opportunities

Volunteer opportunities range from hands-on support at community and youth events to active involvement in fundraising initiatives. Current opportunities include:

- Bike Rodeo (May)
- Breakfast With Santa (2 credits including setup day) (December)
- Canada Day (July)
- Club Dinner Meetings - Organization and/or setup (up to 9 dates)
- Delaware Speedway 50/50 (4 dates) (July-September)
- Easter Egg Hunt (March or April)
